

# Recurring Payments

**AUTOMATICALLY BILL YOUR CUSTOMERS ON A PRE-DEFINED SCHEDULE.**

Now merchants can automatically bill their customers on a pre-define schedule. SaleManager™ provides the

CYBERAUTHORIZE.Net payment gateway to our merchants since the recurring billing features are available at no additional cost.

“ *Excellent choice for merchants who require the ability for bill their customers for subscription or membership management services.* ”

Merchants simply define their recurring billing plan by defining the billing amount, billing frequency, billing duration and Plan SKU. Merchants can define an unlimited number of recurring billing plans.
