If you're a small business with a requirement to collect online payments from your clients there is a good chance you are currently using Google Checkout or PayPal. If you're using Google Checkout or PayPal you can save money by switching to Planetauthorize™ payment gateway. Planetauthorize™ will help you get paid faster - with reliable, safe and secure payment technology.

**Save Money with Planetauthorize™**

Google Checkout and PayPal have a sliding scale of charges while Planetauthorize comes with just one low competitive fee.

As you can see from the following comparison chart the Planetauthorize payment gateway is just 1.99% plus 15p, and to achieve the same level with either Google Checkout or PayPal you would need to have monthly sales of over £15,000

	Google Checkout	PayPal	Planetauthorize
Amount of sales per month			<b>1.99% plus £0.15</b>
Less than £1500	3.4% + £0.20	3.4% + £0.20 GBP	
£1500 - £5999.99	2.9% + £0.20	2.9% + £0.20 GBP	
£6000 - £14,999.99	2.4% + £0.20	2.4% + £0.20 GBP	
£15,000 - £54,999.99	1.9% + £0.20	1.9% + £0.20 GBP	
£55,000 or more	1.4% + £0.20	1.4% + £0.20 GBP

You can see from the table above that your fees with Planetauthorize will be cheaper but how much?

Well let's say your average sale is £100.00 here is what you will be charged by each of the payment gateway providers:

	Google and PayPal	Planetauthorize
Value of sale	£100.00	£100.00
Charges	£3.60 (£3.40 plus £0.20)	£2.14 (£1.99 plus £0.15)
Return to you after deductions	<b>£96.40</b>	<b>£97.86</b>

Rates correct and verified as at 1<sup>st</sup> May 2010
